Dear Sir

Your obliging letter of
the 25th with Enclosures came
duely to hand - I have had
a certificate such as you
directed to be attached to
the papers for Mrs McLelland
& return them together with
certificate for peruse of
Mrs Martha Isaacks. Please
attend to their interests for me
as soon as convenient. They
are just about starving &
worry me almost to death -

~~I am sure you will be able to find
the papers for Mrs McLelland & return them
together with the certificate for peruse of
Mrs Martha Isaacks. Please attend to their
interests for me as soon as convenient. They
